US Magistrate Judge                      Slave of Allah  
 Gordon P. Gallagher                      Zacarias Moussaoui  
 US District Court

Today I received (12/01/14) your order of the 25 of Nov 2014 regarding the cure of deficiency in my Civil Action against Obama administration agents obstruction of Justice in order to prevent me through intimidation, death threat to testify in Court against the Saudi Prince Turki Al Faisal Al Saud and Saudi Princess Haifa Al Faisal Al Saud the real 9/11 Mastermind, which I personally met in Oklahoma and Dallas (TX) in 2001 before 9/11. Saudi Prince Turki is the one who specifically directed Mohamed Atta to attack the White House and the Pentagon over the objection of Mohamed Atta who fear that the hijack plane will be shot down before reaching their target. Princess Haifa with Prince Turki gave me money and advise me to work with Omar Al Bayouthi as either 7 hijackers have done. Also on the 20 and 21 October 2014 I gave an under Allah oath testimony in Court

I politely and strongly suggest to this  
Council Judge Gordon Gallagher  
to read the Court transcript of my  
deposition on the 20<sup>th</sup> 21<sup>st</sup> of October 2014  
in ADX, Florence, Colorado as this depose-  
tion on the Real 9/11 Saudi Mastermind  
will make an undeniable case in the interest  
of Justice to place me in protective custody  
as the Obama agents and the Saudi Agent  
of the Ramzi Yousof Gang in Himat Al Qaeda

Stronghold are colluding to wage a vicious  
persistent campaign of harassment,  
intimidation, death threat to make  
me recant or testifying in the trial  
to potentially come in front of District  
Judge Daniel for the 9/11 Victim  
and against the Sand Bounce 9/11 Master

On the 22 Nov 2014 I was assaulted by  
ADX Hunt CO Schmidt working with  
CO Holbrook I reported the assault  
of CO Schmidt to CO Behle, Lieutenant  
Korchalak and Lieutenant Gardner  
came to investigate and took picture  
of my head, hand/feet for injury

also took away two piece of evidence  
of the & CO Schmidt assault on me.

On the 06 of June 2014 I was assaulted  
by Quesama Kassar or Saudi agents of  
the Ramzi Yusef Gang in Hunt after  
Ramzi Yusef issue a death order as  
I rejected Ramzi Yusef deal that he  
made with the CIA Frank Pellegrino that  
I drop my testimony against the 9/11 Saudi  
and the CIA intervene to spare "the death penalty  
to Khaled Sheikh Mohamed in Guantanamo

Also on the 26 November 2014 next door cell neighbor ~~is~~, Mohamed Tabarra swear that "he" will cut my head and bring it on a plate to Oussama Kassir (who assaulted me on 06/06/14). Mohamed Tabarra had previously agree to testify falsely against me for the US prosecutor Raskin in my S141 case in Alexandria Virginia before I pleaded guilty. Mohamed Tabarra is the one who gave to the Omar intelligence, the Canadian intelligence and the US prosecutor a intelligence the location, telephone of Ralid Sher Mohamed and the identity of Ahmed Al Kuwaiti the brother who was the courier, the go between Osama Bin Laden and KSM, and this Ahmed Al Kuwaiti was follow to the House of Osama Bin Laden where Osama Bin Laden was kill by O'Neil (Seal).

Also this Court of Judge Gallagher must know that Hani Manasseh keeps and Counselor Hansen have refused just last week again to make available to buy stamps and to make money order to pay Court fees

This Gallagher Court must know that for years I request Supervisory Attorney C Cynsall and B Bueschke to allow to retain an attorney in Denver Colorado recommended by the Nation of Islam and more recently to be allow to retain attorney Mr Benjamin Crump and Mr Anthony Carrao (Ferguson, Missouri). Last week or two Mr Cynsall responded to my Administrative Remedy complaint that he was not authorized to allow me to get a lawyer. Despite the fact that I have a court proceeding in Oklahoma in front of Judge Sharon Evers, a case in the Northern District of Texas (Dallas) in front of Judge Jorge Solis and initiated by Judge Renee Harris Talvere and I have court proceeding in Florida.

This Court should know that since the 09 / November / 2014 I have started an Hunger Strike and since the 30 / November / 2014 I have started an 100% Water Strike so I am not drinking any water since 11/30/14 at 5 am.

4/5

This Court must know that my Mother and my Hunger Strike from (11/30/14 and the 11/09/09) were in order to obtain a lawyer to petition effectively this Court. Indeed a professional lawyer could petition on my behalf this Court so I be put in Protective Custody and remove from ADX, FL, CO.

Also this Court must know that ADX Medical & Dr Santini, Dr Carolea, and P H have cancel an surgical hernia operation on me after I was examined ~~by~~ almost two year ago by rectile & surgeon contractor Dr. Yee. This is another reason I want a lawyer to petition this Court to supervise and nominate a Surgeon to perform an urgent Hernia Operation on me as I have an degenerating Hernia since 2008.

Also I want a lawyer to petition this Court to receive on a weekly bases outside Non BOP Psychological support by a doctor in psychology or the Psychological Dept in ADX with Dr O'Neill, Dr Moody, Dr Davis, Dr Seaton et have been denying me any kind of real interaction or psychological

This Court should not construe any of my writing or position as admissions or made to this Court. This Court should know that I full acknowledge the deficiency of my initial petition but because of the nasty tactic my Unit Manager keeps and Counselor Hansen, attorney Cynsoll and Boieschke and ultimately under the orders of ADX Warden Oliver I will not be able to provide document and the money requested.

This Court should know that only a lawyer could give an effective assistance to make my petition to this court to be place on Protective Custody, to be remove from Federal agents custody and ADX custody to be transfer to the Military Community Prison in Guantanamo, to sue the Obama for Obstruction of Justice and sue the BOP for obstruction of Justice. So I hereby petition the Court of Judge Gordon P. Gallagher to order and appoint an attorney for me and to order the BOP ADX, FLCO, Supervisor, attorney C Cynsoll to free my money, to allow me to retain a Denver attorney recommended

5/9

by the Nation of Islam and to allow  
me to retain attorney Mr Gump and  
Mr Gray (Ferguson Missouri)  
Taking account of the many petition  
and case I need to pursue my request  
of numerous attorney should not be  
considered favorable

In fact one, once upon the time attorney  
Ms Joyce Ellen Rosendahl, P.O. Box  
19866, New Port Beach California  
92659-5966 withdrew from her  
assistance as she declined to assist me  
to testify against the Saudi and ~~for~~ she  
declined to fund me some ~~re~~ replacing  
lawyers and she declined to inform  
and contact District Judge Leonie  
Brinkman in Alexandria Virginia  
Ms Rosendahl explained to be under  
"tremendous stress" on learning  
about my legal situation. (I sent  
the letter of Ms Rosendahl to Oklahoma  
Judge Sharon Evers last week or two)

Also Judge Callaghan surely will  
understand that being on Water & food  
strike to obtain access to a lawyer to petition  
his Court make it more difficult if not impossible

to in time for the 30 day ~~dead~~ line to  
cover the deficiency of my transfer petition

Note to forget that I a french citizen  
I am not familiar with all the intricate  
rule of your judicial system and  
I have been for years to have a  
telephone call to my French Consul at  
my Counselor Hansen, Markes and  
Cynsall

This Court of Judge Callaghan should  
will be aware of the geostrategical  
dimension of this case to testify  
against the Somali Prince 8144  
Mastermind, But now a political  
dimension for Obama to stop me & as  
I want to see ~~me~~ him for a misdeame  
and offense of obstruction of 8144  
Justice.
